

Website Terms of Use

If you use this website (<https://jcoal-ccd2022.com/>; hereinafter, referred to as the "Website"), you must carefully read the Terms of Use (hereinafter, referred to as the "Terms of Use") herein in advance. Only use the Website if you agree to the Terms of Use.

Note that the contents of Terms of Use are subject to change without prior notice.

1. Disclaimer

The Secretariat of the 31st Clean Coal Day International Symposium (2022) (hereinafter referred to as the "Secretariat") will not bear any responsibility for any action that users conduct by using the contents (including use of edited or processed contents). In addition, the Secretariat shall not be responsible for any damage which may be incurred by any user as a result of the use of the contents and shall not assume any obligation to compensate the user for such damage.

The contents may be changed, moved or deleted without prior notice.

2. Handling of personal information

JTB Corporation provides the participation registration service for the 31st Clean Coal Day International Symposium (2022) (hereinafter referred to as the "Conference") under a commission from its host and the management office. The registered personal information will be used in a series of operations associated with participation in the Conference and future provision of information about the Conference in an appropriate form according to the "Personal Information Protection Act" and other related laws and regulations (For the handling of personal information by JTB Corporation, please refer to the following URL. <https://www.jtbcorp.jp/en/privacy/>).

3. Copyright

The contents of the Website (including handouts) are protected by the copyright and neighboring rights laws. Therefore, use of any recorded video or captured image beyond the scope of private use is prohibited. Please do not reproduce the contents in any form without permission. For example, uploading any captured image of the contents onto SNS or the like is prohibited. If we find any unauthorized reproduction, we shall make a request to delete it shortly.

4. Viewing our video streaming contents, etc.

We will inform you of the URL required to watch the program by e-mail by the broadcast date. Only the participants in the Conference are allowed to use the URL and its redistribution shall be prohibited.

Video/audio may be disturbed during broadcasting, but for convenience in proceeding of the program, we will not make retransmission.

We do not provide technical support on video watching.

If we find any unusual connection, we may disconnect it without prior notice.
